Railroad Executives Deny That Secret Meetings Are Being Scheduled With a View of Ending the Strike Eastern Labor Leaders Have/Sent a Telegram to Senator Borah

* Urging the Necessity of the Impeachment of Attorney General Daugherty and Judke Wilkerson Because of the Recent Government Injunction-Attorney General Daugherty is to/Consider Action to be Taken Against "the Few Misguided Labor Leaders Who Have Made Incendiary Speeches."

Washington, Sept. 6 .- (By the A P.)

New York. Sept. 6.—Dentials by railread executives that secret meethings
were scheduled with a view to ending
the long strike of railroad shopmen,
and request by eastern labor leaders
that Attorney General Daugherty and
Federal Judge Wilkerson of Chicago be
impached because of the recent government infunction, featured the rail situation here today.

The executives emphatically denied
general days before they could
arrive in Chicago, and for that reason no
general days before they could
arrive in Chicago, and for that reason no
general sessions were expected before the
first of next week.

TO TARE ACTION AGAINST

OUTSPOREN LABOR LEADERS

Washington, Sept. 6.—(By the A. P.)—

The convention to the settlement plans of the
union leaders which would conclude the
five months' suspension in the hard coal
fields.

The session of the convention today
was taken up by appointment of officers
and committees. The recedentials committe was composed of the accretaries of
the three districts. They were instructed
to report tomorrow upon accepted delegates.

"And it is certain that all the roads as a unit on the issue of seniority."

and R. S. Binkerd, secretary of the assession. "So that even if a few roads settle the strike they will do so on the terms we outlined at the conference with the Brotherhoods last month. No railroad will change its position on that point at this time."

T. De Wilt Cuyler, president of the association, issued a statement in which he denied the possibility of meetings and he too declared that the railroads will perfectly well pleased with the

sthout precedent in the history of the sation. "Soft words of interpretation spoken in high official quarters after the issuince of the injunction cannot mitigate the plain language and injunt of the locument. Nor can they wipe out the ustounding admission by the attorney instructions from the department of machinists" officials that the plain language and injunt of the ustounding admission by the attorney instructions from the department of justice and that he had not been given copies of the Chicago order which would be necessary before he could undertake the task.

Attorney General Daugherty said he saturney in the population of the court. His statement follows: The government to the strike instruction of the court. His statement follows: The government will consider in due to desire a fair play, is likely to draw its own conclusions."

Attantic City, N. J., Sept. 6.—Declaring that the strike leaders with the strikeng shoperafts has arounsed an enormous wave of public consider in due to the strikeng shoperafts has a fair the strikeng shoperaft has a fair the strikeng shoperaft has a course would be foolish, as the government will the rumors that any of these defendants their organization had not been invited to any meeting.

So far as could be learned, no effort was instituted to serve labor leaders want is not without duplicates of much documentary evidence and can readily subpoena the telegrams.

"If this minority of labor leaders who have denounced the action of the court, are not willing to come into court and tell their organizations are loved in the purpose defeating the administration of justic. The rank and file of labor organizations are loved in the precious of their activities. Soon in the produce the telegrams.

On Mexican international Boundary Commission of justic to the orderive to a course would be foolish, as the government will be a cour samuel Gompers, precident of the American Federition of Labor and members of lie executive council today prepared to infer the courts with a demand that the figuration be vacated. Several secret sessions attended by Mr. Gompers, three vice presidents of the federation and several precidents of the federation and several precidents of international unions were held today. What took place was not disclosed. The labor leaders franking stated, however, that they were drawing up plans for legally blocking the insection to be raisined when the full inscript council convenes Saturday.

The restourness of the present labor hastion may lead to a last-minute transfer from this city to Washington of the macro that will give the greatest value to their utterances; for I propose when the court next hears this case, that the leading defendant shall have the fullest opportunity of take the stand and the processes of law need not complain that they are leaders declosed. Another closed session will be held here tomorrow night to Friday to view whether to convene the filled conference here or remove to Fashington to order to be nearer possified developments in administration circumstances that will give the greatest value to their utterances; for I propose when the court next hears this case, that the leading defendant shall have the fulless opportunity to take the stand and testify under oath as to whether or not they are responsible for instigating and carrying on the questioned conspiracy to

est opportunity to take the stand and the Friday to vas whether to convene the official conference here or remove to Fashington in order to be nearer possible developments in administration circles of both the government and the A. Talk of a general strike of the A. F. It was a foreible protest against the baughesty injunction was frequently sard at labor headquarters today. If they are reluctant to tell their side of the story, I shall be disposed—although the government's evidence will make it necessary—to call the leading defendants to the witness stand, and they will then have, as I said, the fullest opportunity of free speech and under the most satisfactory conditions.

In thus proposing to put before the country, not only the government's case, but any possible defense, I am somewhat hampered by the fact that the government process servers have had great difficulty in locating the leading officials of the shop crafts' organizations. No lawyer has yet formally appeared for them in the Chicago suit, and this is disappointing; as I desired to serve notice upon him to bring into court next Monday all the books, letters, telegrams and other documentary data, of his clients so that

BISHOP BROWN CHAIRMAN P. E. HOUSE OF BISHOPS

P. E. HOUSE OF BISHOPS

Fortland, Ore. Sept. 6.—Rishop William Cabel Brown, of Virginia, was elected chairman of the house of bishops, succeeding Bishop Thomas F. Gallor, of Tennessee, when the 47th triennial convention of the Protestant Episcopal church in the United States foremally convened late today. Bishof Gallor had served six years.

The Rev. Charles L. Pardee, of New Tork, was elected secretary of the house of bishops, succeeding the Rev. Dr. George F. Nelson, who retired owing to advanced years.

The highest officers of the church and the clerical and lay delegates teday began the work of what many have declared to be one of the most important conventions of the denomination, after hearing the keynote sermos of the Right Rev. Edwin S. Lines, D. D., of Newark, N. J., which was characterized by an appeal for progress,

"The hope of the church," he said "is in moving forward set of the land of ease and contentment, out of the land of preudice and narrow vision."

'After declaring "we need in the church more of the spirit of advances more willingness to get out of the barden road and do things in new ways and take risks" he brought from the immense gathering murmurs of approval when he said:

SENATE KILLS ANTI-COAL

Washington, Sept. 5.—The senate after several hours' debate today on the house anti-profiteering coal bill rejected the amendment by Senator Sutheriand, republican, West Virginia, which would have made the legislation ineffective against coal contracts entered into prior to Sept. 1st.
